## ATEX KINESIOLOGY TAPE

What is  
THE TAPING  
THERAPY?

By attaching drug-free special tapes on the skin, it enlarges the space between skin and muscles so that the circulation of blood, lymph, tissue fluid can be increased which results in the relief of muscle and joint pain. It maximizes the effects of the natural cure, with the feeling of invariably constant stability. In short, it is a medical science focusing on the physical stability

### Common Features

- Similar to the human muscle in terms of its extension rate (130~140%)
- Wave-shape adhesion face to maximize air circulation as well as to prevent skin allergies
- Outstanding adhesive property
- Non-stimulus tape
- Relief of muscle pain, and prevention of injuries
- Water resistant tape
- Source cloth processed for water repellency
- Outstanding adhesive property in soggy or sweaty conditions

**6** **COLORS**

 Q'ty/Carton: 144 Rolls

# ATEX POWER SPIRAL TAPE

## WHAT IS THE SPIRAL TAPING THERAPY?

The Spiral Taping refers to a medical taping care remedy removing pain based on the muscular anatomy and balancing theory of Oriental Medicine, activating the physical body energy applying the Spiral Energy Theory.

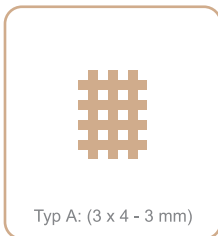

## PRINCIPLE OF SPIRAL TAPING METHOD

The method cures uneasiness of the body. When a body part has a problem the taping method does not cure the part only. It judges the whole body has a problem and controls the balance of the body.

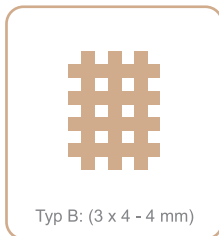

So, it cures not only joints and muscles and other parts but also the whole body.
