

Curiel

The Eye Mask for fomentation

“We invites you to the sleeping paradise”

curiel

www.eyescaremassager.com

Brings freshness of forest right in front of you!

For better quality of sleeping and healthier life of you, Curiel provides you freshness with its anion and far infrared!

Did you know? A smart way to use The Eye Mask for fomentation!

No more puffy and tired eyes!

What Curiel helps you:

- Insomnia** Use hot fomentation
- Puffy eyes** Treat quickly with cold fomentation.
- Tired eyes** With hot poultice, your blood circulation gets better.
- Dried eyes** Hot poultice will stimulate the lacrimal gland to moisturize your eyes.
- Dark circles** By applying hot and cold poultice alternately, the blood circulation around your eyes will be improved. For better result, use moisturizing cream with Curiel.

**The Eye Mask for fomentation contains anion and radiating far infrared!
Better quality of sleeping would enhance your life.**

“Curiel Dual Action”

The carrying case can be used for heating or cooling the eye mask for fomentation as your need.

There would be no risk via electromagnetic waves since the eye mask has no electric circuit in itself.

By courtesy of a huge capacity heat source circuit, the eye mask can be heated or cooled in short time.

Get rid off inconvenience of an ice pack or steamed towel for your tired eyes.

It can be charged from AC ourlets, USB ports and Cigar jacks thus virtually everywhere.

MOQ = 1000 Set
